Will you join us on this journey?

United Way of Delaware focuses on three key areas: ensuring that children (birth – age 8) are properly prepared to achieve academic success and can read at or above grade level by third grade; helping young people acquire and develop positive assets that provide a path to college and/or career readiness; providing meaningful opportunities for individuals and families to secure financial stability. UWDE galvanizes and connects a diverse set of individuals and organizations to create short- and long-term change. For more information or additional ways to support UWDE, visit www.uwde.org or call (302) 573-3700.
